Dear Dr. Thomas:

Thank you for your participation as a presenter at the Experience! 2013 Conference and Expo. Your session, *Understanding People from the Inside Out*, received wonderful reviews from our attendees, including feedback that you were engaging, funny and fabulous!

Based on your overall average rating of 5.65 out of 6, I would certainly recommend you as a great speaker on the topic of personalities and communication. You are a dedicated professional, and it was a pleasure to work with you and your staff.

We look forward to the opportunity to work with you in the future.

Sincerely,
