Ms. Tina Thomas,

I am writing this letter as a way of saying “thank you” both the outstanding job you did speaking at the Toastmasters District 68 Spring 2013 Conference, held May 17-19, 2013 in Lafayette, Louisiana. I knew that selecting you as a conference speaker would be a wise choice, but little did I know how great of a speaker you were! Your presentation impressed the audience and really got them all thinking more about how the different personalities we deal with impact how we lead others. I heard many compliments about your use of the pictures of people you knew in Toastmasters as examples of the different personalities, and people laughed historically seeing themselves as your chosen example of that personality. Many of the attendees told me afterwards how much they enjoyed your session, which I think you already knew based on the standing ovation you were given at the end. In summary, thanks again for the great job, and you are welcome to speak again at any District 68 conference in the future!

Sincerely,

Bryan Jolley, ACB, ALB
