Dear Dr. T:

On behalf of the Louisiana Small Business Development Center at Southeastern Louisiana University, please accept our grateful thanks for your participation in our recent Women Mean Business 2013 Conference. One of the many goals at our center is to connect small business owners with resources to help them survive and thrive. Your presentation provided valuable insight to the professional women of our community and emerging female student leaders; it is very much appreciated that you gave freely of your time to serve as one of our speakers.

Again, thank you for your support of our event and the Louisiana Small Business Development Center. We applaud you on a job EXTREMELY well done, and look forward to working with you in the future.
