Dr. Tina Thomas
75368 Moonshadow Lane
Abita Springs, LA 70420

Dear Tina,

The Alliance members were fascinated with your knowledge and attention getting presentation.

I once read that personality is what others see; character is what God sees. I certainly think that puts things into perspective for each of us as we "dance with porcupines" in this earthly life.

Thanks for a job well done. God bless you.

Joyfully serving,

Dianne Baham
